**Oil Spill Advisory Council Will Release Final Oil-Spill
Prevention Recommendations**

SEATTLE – After months of work, The Washington Oil Spill Advisory Council will deliver to the Governor, Legislature, and Department of Ecology its final report and recommendations for a state-of-the-art oil spill prevention program complete with sustainable financing.

WHEN: Monday, Oct. 2, at 10:30 a.m.

WHERE: The Port of Seattle on the Third Floor Balcony West. The Port of Seattle is located at 2711 Alaskan Way, Seattle, WA and may be contacted at (206) 728-3000.

WHAT: Council Chairman Mike Cooper and other officials will be available at the event for explanations and questions about the Council's recommendations.
